

**YOUTH COVENANT FOR TRIUMPHANT LOVE
LUTHERAN CHURCH**

I _____ (student's name) understand that Triumphant Love Lutheran Church is an inclusive community trying to follow Christ. And so I will enter into this covenant with TLLC, God, my parents, and youth leaders that I will behave along the following guidelines in order to uphold that inclusive Christian community while participating in TLLC events:

1. I will participate fully to the best of my ability in all youth events at which I am present including mission trips, retreats, camps, and any other official activity.
2. I will not bring or participate in using any drugs, alcohol, fireworks, weapons, tobacco, or explosives while on TLLC property or on TLLC trips.
3. I will use appropriate and considerate language when at TLLC youth events. I will not use phrases that may be demeaning to anyone for their race, sexual orientation, gender identity, mental health, socioeconomic status, or social behaviors.
4. I will respect other people's property, whether that be the church's property or someone in my group's property. I will remember the 7th commandment.
5. I will respect my and other people's personal space. I will not participate in any sexual behavior of any kind while at a TLLC youth event. I will not be violent or physically aggressive while on a TLLC event for any reason.
6. I will not wander off without telling my youth leader or sponsor where I am going and without the company of two other students. This is for my own and others' safety.
7. I will keep my cell phone on silent and out of the "distraction zone," unless otherwise instructed, while at TLLC events.

I fully understand that if I choose not to follow these guidelines I will be sent home at my parents' expense. I also understand that the youth leaders and sponsors have the right to send me home for reasons beyond those listed here, at their own discretion.
